Annual JINGLE RUN FOR HOPE

5K RUN OR WALK

The annual Jingle Run for Hope will take place virtually this year to allow you to safely social distance while supporting patients at Morristown Regional Cancer Center.

In order to prioritize the health and safety of our community we will offer different course options and a flexible time frame. Between December 5 - 20, you may choose the race course that best fits your goals. The virtual race offers you an interactive experience that supports the social distancing needs of today's climate while providing real-time engagement with other participants, sponsors and Morristown Regional Cancer Center.

To race virtually this year, participants will use the Racejoy app, which uses a smart phone's GPS capability to record distance and time.

Each registered participant will receive detailed instructions on using the RaceJoy application. Instructions are also available at JingleRunForHope.com.
